Contacting staff

in relation to school work.

DO NOT email staff unless it is directly related to school work.

Staff emails work in the same way as pupil ones. Surname and first letter of the forename.

For example: Mr J. Bloggs would be `bloggsj@pontyhigh.co.uk`. Staff emails don't have numbers before them.

To email staff you will need to use Outlook in the apps dashboard.

To use the apps, you will need to log in using your school email address and password.
